

2024 NATIONAL MIGRANT EDUCATION CONFERENCE

SUNDAY, APRIL 21 – WEDNESDAY, APRIL 24, 2024 IN PORTLAND, OREGON

2024 National Migrant Education Conference Exhibitor, Sponsor & Supporter Opportunities

NASDME is pleased to release its [Exhibitor, Sponsor, and Supporter Packet](#) for the 2024 National Migrant Education Conference to be held in Portland, Oregon from Sunday, April 21 – Wednesday, April 24.

As you know, showing your support of those who assist migratory students through the Migrant Education Program is favorably viewed by those who work in the field. In addition, prior exhibitors and sponsors tell us that our conference is an excellent public relations opportunity and provides new business leads.

We offer a variety of sponsorship options for you this year! Exhibit booths are extremely popular with our attendees, and as always you will receive a full conference registration with each exhibit booth. As in past years, we will have an exhibitor punch card incentive program.

Once again, we are providing the opportunity for you to participate in Focus Groups. The participants in these Focus Groups are leaders from the Migrant Education community. You can use these groups to get feedback on their priorities or to preview or evaluate their interest in products you have or are planning to provide. This is another way your group can support the community and those who work with farmworkers and their children around the country.

If you have any questions about this packet or the variety of alternative ways you can show your support and assistance, please contact Corrina Smith at corrina@mqr-events.com or (505) 250-2906.
